

Marquette University

Promoting Objectivity in Research / Financial Conflict of Interest

Investigators disclose significant financial interests by completing disclosure of financial interest (DFI) forms at:

* If awarded, investigators must complete training:

1. Prior to engaging in any research, educational, or service activities being conducted under any covered grant or contract, as of the following effective date of this policy;
2. At least every four years;
3. Whenever this policy is substantively amended;
4. When a funded investigator is new to Marquette University; and
5. Whenever the Vice President for Research and Innovation has determined an Investigator is not in compliance with this policy or with any management plan or directive issued under this policy.
