Marquette University, College of Health Sciences  
Clinical Laboratory Science  
Young Scholar Program Application

This exciting program includes 2 Saturdays on the MU campus and one week of online distance course work.

| Module 1: | Saturday, October 29, 2016  
Marquette University Campus, Dept. of Clinical Laboratory Science, 9 am – 3 pm |
| Module 2: | Off campus, online curriculum – due Wednesday, November 9, 2016  
Students MUST have internet access either at home, school or library to complete this portion of the program |
| Module 3: | Saturday, November 12, 2016  
Marquette University Campus, Dept. of Clinical Laboratory Science, 9 am – 3 pm |

This program is designed for juniors and seniors. This program is offered annually; no student may attend more than once. Attendance is required. If any time is missed, the student will be automatically withdrawn from the program and will receive a WA on their MU official transcript. **If you know of a conflict now, please do not apply.**  
Upon successful completion of all 3 modules, students earn 1 college credit.
