Marquette University, College of Health Sciences
Clinical Laboratory Science
Young Scholar Program Application

This exciting program includes 2 Saturdays on the MU campus and one week of online distance course work.

Module 1: Saturday, November 1, 2014
Marquette University Campus, Dept. of Clinical Laboratory Science, 9 am – 3 pm

Module 2: Off campus, online curriculum – due Wednesday, November 12, 2014
Students MUST have internet access either at home, school or library to complete this portion of the program

Module 3: Saturday, November 15, 2014
Marquette University Campus, Dept. of Clinical Laboratory Science, 9 am – 3 pm

This program is designed for juniors and seniors.
This program is offered annually; no student may attend more than once.
Attendance is required. If any time is missed, the student will be automatically withdrawn from the program and will receive a WA on their MU official transcript. If you know of a conflict now, please do not apply.

Upon successful completion of all 3 modules, students earn 1 college credit.
