Use InterviewStream

Go to <http://www.marquette.edu/csc/about/interviewstream.shtml>

- Click GET STARTED!
- Complete short profile and choose your own username and password.
- You can either:
 - Conduct a virtual interview (you must have a pc with a webcam)
 - Schedule a virtual interview (conducted in the Career Services Center)
- Complete your scheduled mock interview at home or at your scheduled time in the Career Services Center.
- If you are completing your interview in the Career Services Center, have a Career Services Center Staff member log in to the computer.
- If you have already registered with InterviewStream prior to the interview, please log in using that information. If you have not registered, please choose the "New User" option.
- Next, if you prefer to choose your own questions click the "Customize your own interview" option and choose questions. Otherwise you can choose the "Career Services Recommended."
- Adjust the webcam on top and volume on the right side of the computer screen before beginning the interview.
- The interviewer will ask you a question and you can then respond. When finished with your response, click the mouse and it will stop recording.
- After each question, you can either "Retry" the response, "Skip" and come back to the question, "Review" to see your response, or choose "OK" to move on.
- When the interview is complete, you will receive an e-mail with a link to view your responses and you are then able to email your interview to whomever you choose.
