Part-time position, Cristo Rey Jesuit High School

Cristo Rey is looking for someone to work during study halls/ detention periods. The position is for about 90 min. M-Th and one hour on Fridays. The ideal candidate would be someone who desires to work with students, mentor and guide them and can be an emotional constant for those who find themselves in detention, even though there are only typically between 3 - 9 students. The study halls and detentions are both pretty well structured and supported.
