Position: Seeds of Health, Inc., a non-profit social service agency, is seeking a full-time English Teacher for the 2016-2017 school year to work with students in grades 9-12 taking English courses in our alternative high school setting serving at-risk students, Grandview High School.

Grandview is looking for a dynamic teacher with a passion for student learning. This individual must have a great rapport with students and the ability to relate to students of all ability levels. The candidate must possess the necessary skills to effectively instruct at-risk students in a broad range of English related content. Must have the ability to use and incorporate technology into effective teaching.

Successful candidate must currently hold or be able to obtain a Wisconsin DPI license in English (#1300); an Alternative Education License (#952) is desirable.

Qualifications:

- Must currently hold or be able to obtain a Wisconsin DPI teacher’s license in English (#1300); required
- Wisconsin DPI license #952 – Alternative Education License; desirable
- 2-3 years of experience teaching at-risk youth
- Knowledge and experience in the implementation of behavior modification techniques
- Demonstrated ability to communicate effectively orally and in writing
- Experience with engaging and motivating youth; particularly urban youth

Knowledge and Ability:

- Knowledge of modern teaching methods and techniques
- Ability to manage and prioritize multiple activities
- Ability to work with students that come behind in both credits and grade level abilities who require differentiated instruction, scaffolding of material, and focused interventions on a daily basis
- Ability to communicate effectively verbally and in writing sufficient to express ideas, thoughts, lesson material and instructions clearly to students, community and staff
- Ability to collaborate effectively
- Ability to assess individual needs, establish realistic and appropriate goals and objectives, and design and implement a program for each student
- Ability to plan and conduct a system of continuous evaluation of each student's progress
- Ability to maintain classroom control
- Ability to maintain suitable learning environment including appropriate planning and organization of classroom, and provides appropriate materials
- Ability to keep accurate class records and submit reports in a timely manner.

Employing Organization:
