Position Description:
The Summit Summer Olympics Program Team Leader will be the Advisor, Teacher and Coach who has responsibilities for a team of 9-12, 4th-7th graders in a predominantly Hispanic area of Milwaukee. Assignments to age-groups will be made during training week. The camp will take place at the Kosciuszko Park and the Pulaski Park on Milwaukee's south-side.

Dates: June 13 to August 5, 2016 (This includes one week of orientation and training and the 7 week summer program.)

Qualifications:
Successful applicants will work as the team leader of between 9 and 12 inner-city 4th through 7th grade students. Team Leaders should work well with kids and therefore have good interpersonal and communication skills. Leaders will be instrumental in helping students improve in academics and character. The Team Leader position is 35 hours per week for eight weeks including one week of orientation and training. In addition, team leaders must be available to attend occasional after-program events, and parent meetings. There are also optional weekend excursions in which the team leader may choose to participate.

The following further outlines the Summer Program Fellowship. It should be noted that the following is only an outline and does not capture fully the responsibilities of the Team Leader.

“Summit Summer Olympics” Academic and Character Enrichment Summer Program

1. Teams – Each Team consists of between 9 and 12 students, a senior coach (team leader), and a junior coach.
   a. Each team engages in academic, athletic, and character-building activities as a unit and earns points toward awards.
   b. The team leader is his team’s Advisor, Teacher, and Coach.
   c. As the Advisor, each team leader meets with each student on the team individually for at least ten minutes once or twice each week to set goals, become better friends, and broaden the vision of each student.
   d. As the teacher, the team leader supervises and tutors students in literacy development, numeracy development, and character development. At the end of each class, teams may engage in internal and external competitions. Development and implementation of Summit’s academic programming will be discussed during training week.
   e. As the Coach, each team leader teaches his team athletic skills and competencies and referees the competitions between teams. The sports consist of tag Football, Basketball, Soccer, Volleyball, Softball, Tennis, Ultimate Frisbee, and Dance (for the girls program).
   f. The Team Leader is also responsible for supervising the work of and personal and academic development of his junior coach who is a high school student who attended Summit in the past.

2. ½ Day of Academics – Three 45 minute classes in Reading, Mathematics, and Character Development based on teamwork with as much reading as possible and fun competitions. Emphasis is placed upon the practical applications of basic principles.

3. ½ Day of Sports – Learn skills and compete against other teams in: Football, Basketball, Soccer, Volleyball, Baseball, Tennis, Ultimate Frisbee, and Dance (for the girls program).

4. Field Trip – Once each week, students travel to a new and exciting place.

5. Career Speakers – Each week, students learn about a new career with career presentations by professionals in the area.

6. Parent Program – Each Team Leader will be responsible for meeting and working with parents of their students at Summit. This involves both casual conversations and formal discussions and formal events.

7. Team Management – Each Team Leader is responsible at all times for the behavior of students on the team and will be supported by the Program Director.
