University Department Rental Rates

A program qualifies as a University Department event when the space is reserved by a MU department, the department is actively involved in the planning of the event, and the program is charged to a University account. All departments incurring charges for events will be required to submit a University account budget number to Event Management Office before the date of the event.

The Alumni Memorial Union facilities are available to all University Departments at no charge when (1) participants are members of the MU community (faculty, administrators, staff and students) and (2) no fees are assessed to the participants such as admission fees, donations, or registration fees. Charges apply to all reservations for the Union Sports Annex.

The facilities are available to University Departments for the posted rates when (1) fees are assessed to the participants such as admission fees, donations, or registration fees, and/or (2) participants include others beyond the MU community (faculty, administrators, staff and students), and/or (3) programs are grant funded.

University employees, students, and alumni are eligible for a 10% discount on room rental when reserving facilities for personal use.
