The three-day Summer Leadership Institute is for students who wish to gain a better understanding of leadership within the various contexts of the college experience. During this event, you will have the opportunity to reflect on your own leadership abilities and the role leaders play in groups. You will also learn about what it means to act as a leader in service to others in the community. Finally, we will discuss how to convey your leadership experience in your college applications.

This program is designed for students who are the first in their family to go to college or who come from a multicultural background.

Students who are selected for the program are invited to spend two nights in one of the Marquette University Residence Halls. Applications for the program will be reviewed on a competitive basis. Completion of this application does not guarantee you will be selected to participate in the institute. All applicants will be notified if they have been selected to participate by July 1st.

Requirements:

- Submit the activities list (page 3). Highlight no more than 5 activities that best represent you.
