Marquette University does not discriminate in any manner contrary to law or justice on the basis of race, color, gender, age, sexual orientation, religion, disability, veteran's status or national origin in its educational programs or activities, including employment and admissions. At the same time, Marquette cherishes its right and duty to seek and retain personnel who will make a positive contribution to its religious character, goals and mission in order to enhance the Catholic, Jesuit tradition.

We recognize the tremendous investment families make in providing a Marquette education for their children — and the sacrifices this investment requires. To that end, the university makes every effort to contain costs, identify efficiencies and invest wisely. We have significantly increased the amount of financial aid available to students and will increase those funds again this year, and current-use and endowed scholarships remain our top fundraising priority. Additional sources of student financial assistance include grants, student employment and loans. The Office of Student Financial Aid is available to help students access the resources they may need to help close the gap between their personal contribution and the actual cost.

The university's strong credit rating, adequate cash reserves and growing endowment, combined with our conservative fiscal management and the generosity of our benefactors, enable us to continue fulfilling our commitment to provide a quality education to our students, grounded on the principles of academic excellence, faith, leadership and service to others.

This rate card includes details of 2014–15 tuition, room and board, and fee charges for Marquette students.

Marquette University payment policy

The staff in Marquette Central is dedicated to providing service to our students and families in a professional and friendly manner while following the policies and procedures set forth by the university. The office provides accurate and timely information about each student's bursar account while encouraging our students to be active participants in managing their account.

The final step to complete a student's registration is payment in full of all fees for the term. Marquette sends a monthly electronic billing statement to each student while the student has an account balance. A student may view his/her e-bill via CheckMarq. Payment due dates are available at marquette.edu/mucentral. It is the student's responsibility to pay tuition, fees and housing by the published due date whether he/she receives a bill or not. Students who do not plan to attend the university are responsible for dropping classes through CheckMarq and notifying their respective college office.

Students who do not pay in full by the due date, enroll in the Marquette Monthly Payment plan or submit a billing authorization from an approved sponsor will have a registration block, transcript block and diploma block placed on their accounts. There will be a \$100 fee for the removal of the block. Failure to pay any balance when due may result in the cancelation of a student's registration for the current academic term, referral of the account to a collection agency, legal action to collect any balance due or any combination thereof. If the university must take legal action to collect any unpaid balance, the student will be responsible for all fees and costs incurred by the university to collect the unpaid balance.

Marquette University payment options

Traditional semester payment

- Cash and checks are acceptable methods of payment.
- Electronic payments (direct debit from checking or savings account) may be made by accessing the link on the Marquette Central website at marquette.edu/mucentral.
- Credit card payment is available through a third-party provider. The convenience fee for using this service is variable depending on the amount of the charge. This service may be accessed through the link on our website at marquette.edu/mucentral or by calling 866.893.4518.

Marquette Monthly Payment Plan

Marquette offers the Marquette Monthly Payment Plan, administered by Tuition Management Systems, which enables students and their families to budget all of their semester tuition, room and board, and student fees in five equal monthly installments. The MMPP is intended to cover the costs of fall (August–December) and spring (January–May) semesters. The MMPP is not a loan; there are no interest or finance charges. The only cost is a \$35-per-semester enrollment fee. The fall semester program begins Aug. 5, 2014. All payments are due on the fifth of each month.

For more information, please access the Payment Plan link on the Marquette Central website at marquette.edu/mucentral. If you have questions or need assistance with enrollment, please contact Tuition Management Systems at 888.267.3053.

Payment by a university-approved third-party sponsor

Students whose tuition is paid by a university-approved third-party sponsor (ROTC, foreign embassies, directly billed companies) must submit their billing authorization by the payment due date.

2014–15 billing and payment timetable

Billing statements

Students who register by July 31, 2014, for the fall term will receive an electronic billing statement detailing tuition, room and board, fees, and other charges, authorized financial aid, and the amount due by Aug. 19, 2014. Students registering after July 31, 2014, will receive an electronic billing statement in September.

Students who register by Dec. 5, 2014, for the spring term will receive an electronic billing statement detailing tuition, room and board, fees, and other charges, authorized financial aid, and the amount due by Jan. 6, 2015. Students registering after Dec. 5, 2014, will receive an electronic billing statement in January.

2014–15 schedule of fees

The following information may be helpful in determining expenses for the upcoming academic year. Full-time undergraduate students are assessed a \$150 Student Health Service fee, a \$30 student activity fee (for Marquette University Student Government) and \$45 for the UPASS program, in addition to full-time tuition, per semester.

2014–15 room and board fees

The rates on the back panel reflect the housing and meal plan rates for Marquette's nine residence halls. The meal plan is included in the listed costs.

Each residence hall offers distinctive features and amenities. Seven of the halls are coed. Cobeen is the university's only all-female residence hall, and O'Donnell is all male. Several halls have floors designated for students in a particular college or program. McCormick also features CommUNITY, a cross-cultural residential learning environment, and Straz Tower houses the Dorothy Day Social Justice Living Learning Community.

The university again this year is offering the Anytime Dining Plan. Students are able to eat when they want, as much as they want, as many times as they want in the three traditional dining halls — Cobeen, McCormick and Straz Tower. They are also able to eat meals at any of the 14 destination dining locations on campus — Schroeder Hall's Café Italiano; the 1950s-style diner in Mashuda Hall; six food vendors within Marquette Place in the Alumni Memorial Union; the Natural Market in the union; and five Brew Cafés on campus. At the destination dining locations, students can swipe their meal card once during each meal period: breakfast (7:15 a.m. – 11 a.m.), lunch (11 a.m. – 4:30 p.m.) or dinner (4:30 p.m. – 6:30 p.m.). McCormick's dining hall remains open for late-night eating until midnight. The Anytime Meal Plan also includes 15 guest passes and \$50 for use in on-campus dining locations.

Students living in university-owned apartments or off campus may also purchase a meal plan. Any student can purchase Marquette CASH to use the MarquetteCard to dine on campus or at a number of off-campus retail locations.
