

Deferred Recruitment Policy for Social Greek Organizations

1. Recruitment – Each Greek organization must be registered with the Office of Student Development and in good standing with the university to participate in recruitment. Each chapter will be required to send a representative (preferably the Recruitment Chair or President) to a meeting in the Fall semester hosted by the Office of Student Development dedicated to review of the university, Panhellenic Council, Interfraternity Council, and National Pan-Hellenic Council policies governing membership recruitment.

All rush events must be registered with the Office of Student Development at least 24 hours prior to the event. Recruitment events must be free of alcohol and free of any and all conduct which violates any law, ordinance, university policy, rule, or regulation, or any part of the Marquette University Ethos Statement. The Office of Student Development reserves the right to attend any and all recruitment functions without prior notification.

Marquette University expects each organization to comply fully with any inter/national and local chapter guidelines governing recruitment activities. Moreover, the university expects all participants to conduct themselves in such a way as to bring credit to the Greek system as a whole and the university in general.

2. Deferred Joining – Social Greek organizations may recruit each semester of the academic year. In order to be eligible to participate in recruitment events or to receive a bid or invitation to join a social Greek organization, a student must:
 - Be enrolled as a full-time undergraduate student
 - Earn at least a 2.25 cumulative grade point average
 - Earn a minimum of 12 credit hours at Marquette University or transferred to Marquette University with a minimum of 12 credit hours from another college or university or to Marquette University with advanced standing status having completed a minimum of 16 credit hours
 - Be in good disciplinary standing with the university (i.e. not on University Probation)

All students participating in recruitment events must be verified as eligible by the Office of Student Development. After each recruitment event, a **Recruitment Registration Sheet** must be completed for all students who attended the event. This form must be submitted the business day following the event and a report of eligibility will be given to the chapter within 24 hours. No bids or invitations to membership shall be given to students who are ineligible or to students who have not been verified. If an ineligible student is found to have received a bid or invitation to join, it shall immediately be retracted and the chapter issuing the bid shall appear before the University, Panhellenic Council, Interfraternity Council, or National Pan-Hellenic Council Judicial Board.

Students that do not meet these criteria will not be eligible to receive a bid or invitation to join a fraternity or sorority chapter. However, they will be allowed to have normal social contact with any member of a Greek organization, including, but not limited to: studying, eating meals together, participating in athletic activities, etc.

3. Reporting – Anyone wishing to file a report concerning violations of this policy may do so through the Office of Student Development at 288-7205; through the Panhellenic Council Vice President for Recruitment, Interfraternity Council Judicial Vice President, or National Pan-Hellenic Council President.
