 UNIVERSITY

HELEN WAY KLINGLER
COLLEGE OF ARTS AND SCIENCES

A greeting from the Interim Dean:

Welcome to the Helen Way Klingler College of Arts and Sciences! I am glad that you've chosen to participate in our Scholarship Competition, which will provide substantial scholarships to twenty-five students. I look forward to having the opportunity to meet you in person at this event.

Marquette University's mission is centered upon the search for truth, the discovery and sharing of knowledge, the fostering of personal and professional excellence, the promotion of a life of faith, and the development of leadership expressed in service to others. The Klingler College of Arts & Sciences is home to over thirty undergraduate majors in thirteen academic departments that represent the intellectual heart of the university. All of our programs, in concert with the University and College core curricula, are designed to prepare you for a wide range of rewarding careers as well as for living a meaningful life. Our students have the opportunity to study with award winning teacher/scholars in the classroom, engage in state-of-the-art research through undergraduate research opportunities, participate in extracurricular activities offered by a wide variety of student organizations and to benefit others through service learning. In short, you will have many diverse opportunities for active engagement in our vibrant university community. Please visit us at www.marquette.edu/as and learn more about the many opportunities that are available.

All of us in the College of Arts and Sciences—faculty, advisers, administrators—look forward to welcoming you as a member of the Class of 2013, and wish you every success!

With very best wishes,

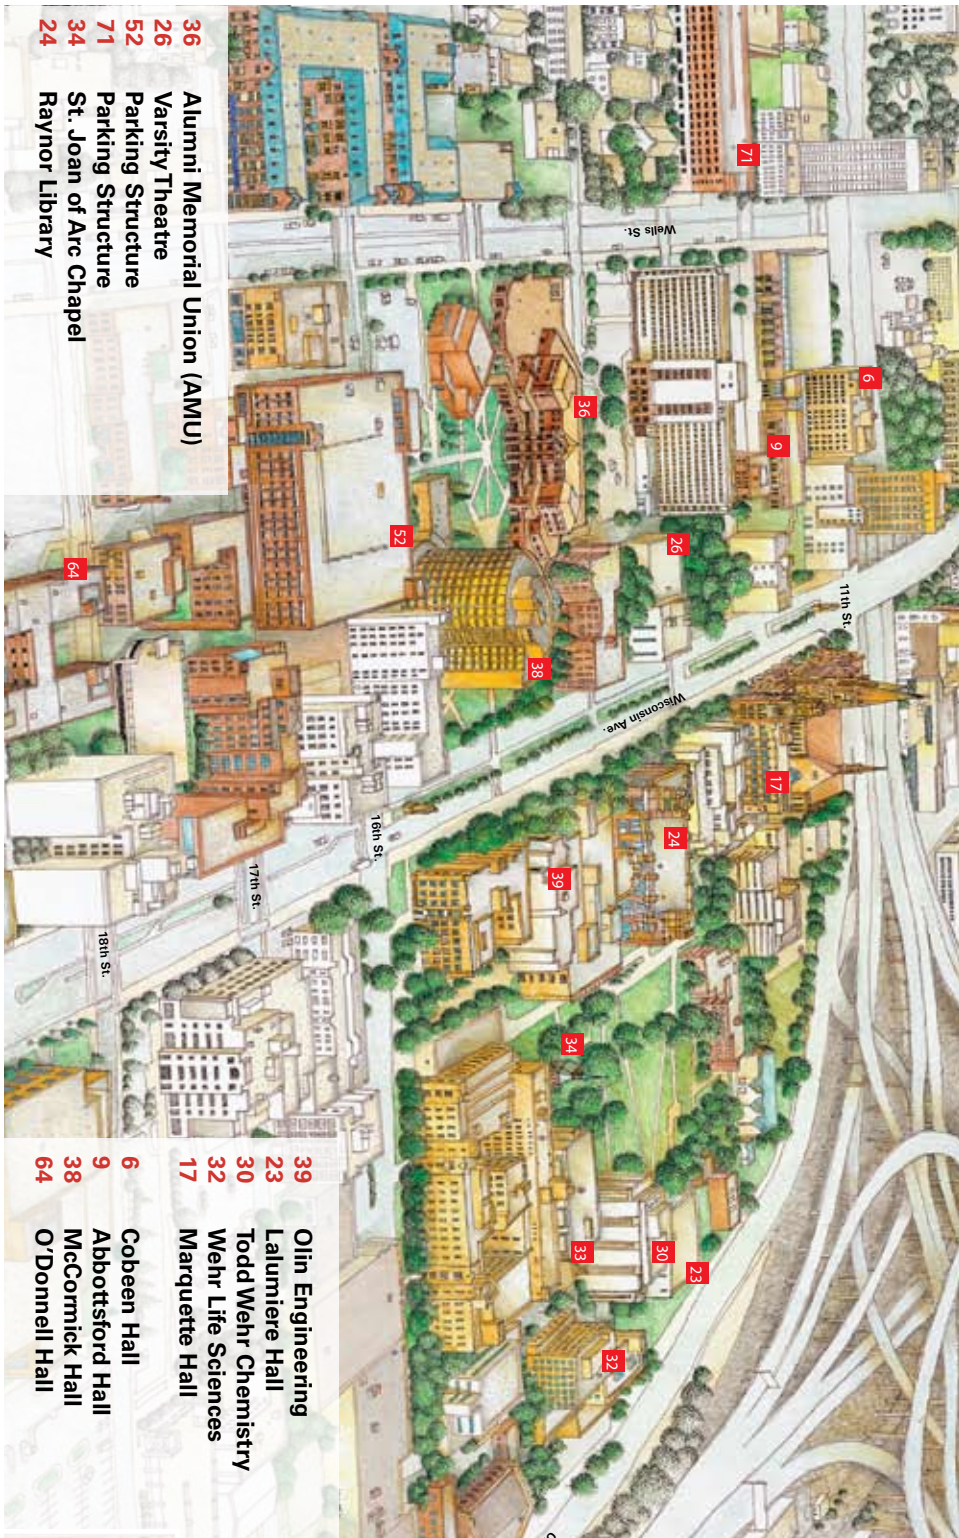

Jeanne M. Hossenlopp
