UNDERGRADUATE COURSE DESCRIPTION

Term: Spring 2015
Instructor: Helga Kisler
Course #: THEO 2000
Section: 101
Course Title: Hebrew Scriptures: Old Testament Overview

Description:

The course objectives are:
- To introduce students to the development and function of the biblical literature through the various methods of interpretation
- To examine the key figures, events, and theological themes that shaped the Old Testament
- To consider the influence of the ancient texts on Western culture/art

Evaluations will be based upon: Class participation, journal reflections, four quizzes, and one paper/presentation.
