

DOCTOR OF PHYSICAL THERAPY APPLICATION
For Current or Former Marquette Students Only
PART I

INSTRUCTIONS

Please print or type all information. Missing information will delay processing of your application. Return this application together with the Pre-requisites form, and the Adviser Verification Form to the Department of Physical Therapy, Schroeder Complex Room 346, 560 North 16th Street, or mail completed application to the Department of Physical Therapy, Marquette University, P.O. Box 1881, Milwaukee, WI 53201-1881.

Application for admission to the Department of Physical Therapy must be **received by February 1** of the year you intend to begin the Doctor of Physical Therapy (DPT) curriculum. **Transcripts of credits** from an institution other than Marquette where you fulfilled necessary prerequisite course work must be sent directly to the Office of the Registrar at Marquette and **must arrive before February 1** of the year you are seeking admission.

Please note: PT-related observation hours are not officially required. However, observing in a variety of physical therapy settings and with different patient populations is the best means to demonstrate your understanding of and commitment to the profession during the application process. A minimum of 2 letters of recommendation are required. Applicant must send one reference from a licensed Physical Therapist. A second or third letter may come from another Physical Therapist or from a Professor in the student's major. Maximum 3 letters accepted.

If you have any questions about completing the forms, regarding the program, or the application process, contact the Department of Physical Therapy at (414) 288-7161.

You are responsible for verifying that all materials have been received.

PART II-Prerequisites for Marquette Internal Transfer Students

Documentation of Prerequisites

Applicants, please complete the information below in a typed or legibly written fashion. It is recommended that you make a copy of this form for your own reference.

Prerequisites 31 Sem. Cr.	Dept. & Course #	Course Title	Grade	Number of Units/Credits		Accredited 4-year Institution	Year & Term Completed	Planned Completion Year & Term
				Sem.	Qtr.			
Biology (3)								
Chemistry I (Lec. & Lab) (4)								
Chemistry II (Lec. & Lab) (4)								
Physics I (Lec. & Lab) (4)								
Physics II (Lec. & Lab) (4)								
Statistics (3)								
*Introduction to PT (Med. Terminology) (1)								
Intro to Lifespan Dev, Development, or Abnormal Psyc (3)								
**1 st Anatomy & Physiology (min.5)								
**2 nd Anatomy & Physiology (if needed)								

*Waived for accepted transfers but will need to document proficiency in medical terminology in lieu of Intro to PT Class. Completion of a programmed text and written departmental test in medical terminology would meet this requirement and is offered to the students accepted into the professional phase of the program.

**The anatomy and physiology requirement can be fulfilled with the following options: a two-course sequence of A&P for EXPH majors and undergraduate majors that do not require anatomy and physiology (BISC 1035, EXPH 2045); or a separate anatomy course (BISC 3135 or equivalent) AND a separate physiology course (BISC 4145 or BIOL 4701, or equivalent).

***Chem 1002, Phys 1002 and Anatomy & Physiology need to be taken within 5 years; all other prerequisites need to be taken within 7 years.

I confirm the prerequisite courses do meet the following criteria:

- I have a minimum of 2.67 of prerequisite coursework.
- I have completed no more than two prerequisites with grade of C. I understand C- is not acceptable, and that all other prerequisites have been completed with a C+ or higher.
- I understand D.P.T. prerequisite courses taken elsewhere may be completed in-person or online with the exception of Chemistry 2, Physics 2, and Anatomy & Physiology which must be taken in-person. I also understand repeated prerequisite courses taken elsewhere cannot be taken in online format.
- I took Chemistry 1002, Physics 1002, Anatomy and Physiology in person.
- I understand my application is more competitive if I completed prerequisites at an accredited 4-year institution; however up to 7 credits can be taken at a community college, 2-year, or technical school.
- I have at least 16 credits of the prerequisite course credits (32) completed at Marquette and qualify as an internal applicant.
- I understand Advanced Placement (AP) International Baccalaureate (IB), and/or dual enrollment credits may be applied towards DPT prerequisites with the exception of Anatomy and Physiology, CHEM 1002, and PHYS 1002. Please note AP, IB, and/or dual enrollment credits awarded by MU are credit bearing only and are not included in grade point (GPA) calculations.

Note: For courses that have been repeated, the new grade will be used for calculating the prerequisite grade points average (GPA).

Requirements:

1. Up to two double spaced typed pages
2. 12-point font
3. 1-inch margins all around

Purpose: The purpose of this essay is to gauge your writing skill as well as your ability to reflect on the diversity of your life experiences and how these experiences relate to becoming a physical therapist.

Question:

Describe and interpret an experience(s) with individuals whose social identity make-up is different from your own. In your discussion, include how these experiences may contribute to you becoming an effective physical therapist for all members of society.

Please attach your response in the required format.
