## Work With Children and Make a Difference! Come Join our Team!

Autism Treatment for Children is currently hiring Treatment Technicians and Interns to work with children with Autism Spectrum Disorder.

Get paid for playing with children  
while teaching them important self-help and social skills!

- Technicians work with children 2-4 times per week, for 2-3 hours each session, in their home or in our clinic.
- 40 hours of paid training
- Flexible schedule (great for students)!

Apply today at [www.atcwi.com/join-our-team](http://www.atcwi.com/join-our-team)

Contact our Hales Corners Office at  
414.475.1896 [hrstaff@atcwi.com](mailto:hrstaff@atcwi.com)

*\*Please note: Technicians must be 18 years or older, work a minimum of eight hours per week and have reliable transportation.*

*We ask for at least a six-month commitment to offer consistency to our client families.*

ATC is an equal opportunity employer.
