
**DEPARTMENT OF SPEECH PATHOLOGY
AND AUDIOLOGY**

STRATEGIC PLAN

2023-2028

Vision:

We seek to promote excellence in education, research, and service to the community within the value-oriented, Jesuit, Catholic, Christian perspective of the University.

Mission:

The mission of the Speech Pathology and Audiology Department is to prepare future speech-language pathologists and audiologists who have the research-based knowledge and analytical skills to competently evaluate and treat individuals with a wide range of communication and swallowing disorders.

EXECUTIVE SUMMARY

The Department of Speech Pathology and Audiology is committed to fostering excellence in education, research, faculty and student support, and community engagement. Our strategic plan focuses on five key areas to ensure the department's continued growth and success.

1. High Quality Educational Experiences

- a. Objective: Deliver comprehensive and innovative educational programs that prepare students for professional excellence.
 - i. Goal 1: Evaluate curriculum and make necessary changes for continuous improvement in quality and relevancy
 - ii. Goal 2: Provide quality student learning experiences and training in the classroom and clinic
 - iii. Goal 3: Refine opportunities for interprofessional education

2. Advancing the Profession through Research and Scholarship

- a. Objective: Promote and support research and scholarship to advance knowledge and practice in speech pathology and audiology.
 - i. Goal 1: Disseminate research through publication
 - ii. Goal 2: Disseminate research through presentations
 - iii. Goal 3: Obtain adequate funding to support research programs

3. Faculty Success and Wellbeing

- a. Objective: Ensure the professional growth, success, and wellbeing of faculty members.
 - i. Goal 1: Support professional development activities
 - ii. Goal 2: Foster a positive environment with shared understanding of individual contributions towards the departmental mission
 - iii. Goal 3: Build awareness of diversity, equity, inclusion, and belonging issues that impact our faculty, students, clients, and community

4. Student Support and Wellbeing

- a. Objective: Create a supportive and nurturing environment that promotes student success and wellbeing.
 - i. Goal 1: Promote Diversity, Equity, Inclusion, and Belonging
 - ii. Goal 2: Improve mentorship, guidance, and feedback provided through advising

5. Alumni, Community Partnership, and Visibility

- a. Strengthen relationships with alumni, community partners, and increase the department's visibility.
 - i. Goal 1: Expand opportunities to be engaged in outreach and service to the local Milwaukee community
 - ii. Goal 2: Highlight community partner and alumni successes

Through these strategic initiatives, the Department of Speech Pathology and Audiology aims to maintain its position as a leader in the field, providing exceptional education, advancing research, supporting faculty and student success, and fostering strong community relationships.

GUIDED BY MISSION, INSPIRED TO CHANGE

Marquette University's Strategic Plan for 2031
